NOTES	
<p>Session outcomes: By the end of the networking session,</p> <ul style="list-style-type: none">● I can understand and apply an improvement science approach to improve a school-wide IB goal (i.e. alignment of formative and summative assessments).● I can explain how one school approached the development of authentic, aligned formative and summative assessments to increase rigor and greater clarity for students to achieve learning outcomes.● I can discuss and apply key takeaways around assignment design and improvement science in my own school setting.● I can utilize resources provided to support the context and needs of my school community.	

TO REGISTER: Please complete this Google Form: email (facilitator name and email) with the following: <https://forms.gle/uEZ6TG8v372Z7oaS9>

Please register by May 25, 2022 at 3:30 pm
