**NOTES**

- Identify the key shifts represented in the 2021 Personal Project Guide
- Explain the purpose and structure of the revisions to the assessment structure, criteria, and submission requirements.
- Discuss the role of the process journal in evidencing students’ Approaches to Learning skills throughout the process.
- Explore structures that support student success in the revised Personal Project.

Please note that the Community Project was not revised in this updated guide. The guides are now two separate documents. The revised Personal Project Guide (for first teaching in fall 2021) will be published on the Programme Resource Centre in early February 2021.
