

PYP Breakout Session

September 23, 2022

New coordinators introduce themselves and
welcomed to the group

The Spirit of Professional Learning passage

Brainstorm a format to store resources.

What is the best platform to use to build a collaborative storehouse?

Maybe someone could 'chair' this initiative- be a contact person and keep it orderly and user friendly.

Thoughts on creating more collaboration. Setting up Zoom sessions based on survey responses or schedule an in-person networking session at your school.

Great way to see other programs and schools.

Networking Sessions Ideas- What do we want to accomplish this year?

If you host, you will get
\$15/person- \$150 will be
given to the presenter for
their time.

- More in depth on the Evaluation Process- SSQ, creating a PDP
- Supporting new teachers and beyond- Agency, ATLS, Transdisciplinary Teaching and Learning, Learning Goals vs Success Criteria/Assessment- reporting and planning
- * Many of these topics will be discussed at one of the 9/23 break out session- resources will be given.
- ***Inquiry-Based Teaching and Learning- I would be willing host an in-person networking session- coordinators and teacher teams- Day/Time? We can schedule this if others want this networking session at Buckland Mills ES in Gainesville, VA.***
- Concept-Based Learning- Book Club? Julie Stern book? Jessica Vance book? Open to ideas.
- SEL- What does this look like? Possible session with an experience School Counselor?
- Engaging the outside community?
- * I have parent session resources in the IBMA website resource section and this link: <https://drive.google.com/drive/folders/1Gk5e2F3ptqzgh8CLqDlnjsDdDe5BdCSR> – these session resources are available now.
- Early Years, and schools with Self-Contained or Autism Rooms

New Coordinator mentors-

Would anyone like a mentor?

Networking sessions?

What would this look like and how will we
organize this?

Would you be willing to host a Zoom meeting, or a Network Session based on the topics above or maybe add a topic? I will be sending another survey to gain more information, please be thinking and checking calendars!

Notes from meeting:

Would we like to compile a visit directory, so we can share and can see what other schools and programmes look like?

We are going to schedule a PDP networking session for December 5th @ 10:00. We will record the session and have it posted to the IBMA website, so you can access it, if you can not make the meeting.
